**Gastronomy in the KINOPOLIS**

foodservice solutions searches a new operator of Gastronomy in the KINOPOLIS in Landshut.

The restaurant with a sun-flooded glass front includes 350 seats. In addition, nearly 300 seats are on the sun terrace of the house. Next to the restaurant are a children's area with a climbing wall and another 40 seats.

The current gastronomy "Eisgruber's" combines restaurant, bar and lounge. Salads, soups, burgers, pasta, schnitzel and seasonal specials are offered. Among the different times of the day breakfast, coffee and cakes as well as dinner and cocktails are offered. The "Eisgruber's" activities include sports events (Sky), clubbing with DJ and children's events.

The new concept should be a modern all-day restaurant with international specialties at best prices. With a high feel-good atmosphere it should be a place of communication as well as a meeting place for young and old. A place of relaxation with entertainment components.
